The Weekend of

January 4 & 5, 2025

Epiphany of the Lord

Following both the bright star in the western sky and centuries of wisdom from their tradition, the magi traveled from the distant lands to search for the newborn king. What had been revealed to only a few nearby shepherds had now been made manifest to people from foreign nations. Today, two thousand years later, and here, many thousands of miles from Bethlehem, we celebrate that the Lord's birth has been made known all around the world for all time. O come, let us adore him!
